WHAT IS KAVA?

Kava is a traditional beverage made from the root of the Piper methysticum plant, which is native to the South Pacific. Traditionally, it has been used in various Pacific Island cultures for centuries, often in social and ceremonial contexts. The drink is known for its calming effects, which can promote relaxation and reduce anxiety, making it popular among those seeking a natural way to unwind.

KAVA EFFECTS?

KAVA IS A VERY CONTROLLABLE EXPERIENCE.

LIGHT & RELAXING. LIKE A BIG DEEP BREATH FOR YOUR WHOLE BODY, MIND & SOUL

REDUCES ANXIETY. NO MUNCHIES, NO RACY FEELING

"MOUTH TIGGLE-NUMBING EFFECT- THIS IS A NATURAL PLANT PROPERTY. THAT LET'S YOU KNOW THE KAVA IS "WORKING"

CAN I MIX KAVA & THC?

KAVA & THC GO VERY WELL TOGETHER. KAVA AND ALCOHOL DO NOT MIX WELL.
